SERVICE :

please let us know your service style and food preference

- HI-FI SERVICE - frequent replenishment of beverages [a server will be appointed to take care of your needs and check in on you intermittently]
- LO-FI SERVICE - minimal check ins / interruptions
- ZERO SERVICE - you can order in person at the counter or message via WhatsApp if you don't want any interruptions from servers
- we suggest a pre-order for breakfast and lunch for larger groups [6+] so that food is sent to the room at the same time or as close as possible
- we can have food / drinks / water / pastries ready on arrival
- we offer platter style service for large group breakfasts / teas / celebrations
